### Guidelines:

1. Each school site may submit three finalists per category for county judging. It is the responsibility of each school site to select what they consider to be their most outstanding entries.
2. The prompt must be used; rubric for scoring is based on the prompt.
3. Students must adhere to the maximum number of words allowed.
4. Students need to give credit for any sources used in essays.
5. Each entry must be registered online and uploaded by December 8, 2017. Register online at <http://mlk.fcoe.org> (starting November 1, 2017).
6. Do not write student names or school on actual essay.
