Principal's Message:

Hello Pates,

We had another A-W-E-S-O-M-E week at the Fort! Our students enjoyed learning and experiencing the partial solar eclipse with their special solar eclipse glasses on Monday. Our students were extremely responsible and heeded our instruction to be safe during the hours of the solar eclipse.

Thank you to FWPA for hosting Donuts with Dads! It is always a joy to be able to spend time with our children at community events such as this. We appreciate our amazing community who supports our school through this partnership. Thank you!

We also celebrated another wonderful athletic season and highlighted our athletes of character and inspiration. We had some great wins and some opportunities to learn and grow. And this paves the way for our next steps as students and as athletes.

Our 3rd quarter report cards were sent home with your child. We will be honoring our 3rd quarter academic award recipients this week on Wednesday, April 17th. The awards for grades 3 and 4 will begin at 8:15am, and awards for grades 5 and 6 will begin at 8:45am. Please be sure to check in as a visitor in the front office before joining us at the awards ceremony.

April 17th is also Cookie Dough pick-up day! Cookie dough pick-up will begin right after school. We will be unable to store any cookie dough overnight. Thank you for your understanding and generous support with this FWPA fundraising event. Monies raised by FWPA go directly back to benefiting our students. For example, our softball teams this year received brand new uniforms to wear this spring season and Varsity softball had the opportunity to showcase them at the District Championship game. Pates are GREAT!

Last, but not least, our Track season has begun. Our first track meet is a tri-school meet at Bud Rank on Friday, April 19th. Track athletes will have an earlier lunch and will be traveling at noon to compete. Let's go, Pates!

Sincerely,
Mrs. Hashimoto

Attendance Matters

We are here to support your child's attendance at school! California Education Code requires all school districts to monitor attendance and notify parents. Truancy emails are generated by our district School Services and Student

Attendance office when your child has a total of 3 unexcused and/or uncleared absences. Additionally, our school is required by law to send letters home once a student reaches an overall absence rate of 10%. Please note, an absence is considered unexcused unless the student is called in ill or a doctor's note is provided. If you are planning on taking a trip and/or your child will be out a minimum of 3 days, you may request Independent Study from the front office. We ask that all Independent Study requests be made at least 5 days in advance. Our goal is for students to be in school so they may continue to learn and grow. Thank you for your support!

PLEASE CALL THE OFFICE IF YOUR CHILD IS GOING TO BE ABSENT 327-6600, OR REPORT ON PARENT CONNECT.

THANK YOU 😊

INDEPENDENT STUDIES

Teachers must be notified at least 1 week in advance. Student must be gone for at least 3 consecutive school days, in order to qualify for Independent Studies. An Independent Studies contract must be signed PRIOR to the student being gone. Students can only be on an Independent Study a MAXIMUM of 14 days per school year.

Any questions, please call our Registrar,
Ms. Kaufman @ 327-6600.

FW Yearbook All Sold Out!

300 Sold!

**Students Caught Having FW Strong Character:
