Hello Pates,

Congratulations to our 3rd quarter academic award recipients! Two hundred and thirty-one students were recognized for earning an Honor Roll, High Honor, or Principal's Honor Award this past week. We are incredibly proud of the progress and academic achievements our students are making. We look forward to seeing our students continue their endeavors and finish the school year STRONG!

Our next step is to show how much we've learned this school year and show what we can do on our end of the school year assessments in May. Students in grades 3 through 6 will be taking the California Assessment for Student Performance and Progress (CAASPP) in English Language Arts and Mathematics. Students in grade 5 will also take the Science assessment through the CAASPP. Students in grades TK through grade 2 will be taking end of the school year district benchmark assessments.

Following our end of the school year assessments will be our opportunity to celebrate an outstanding school year with our annual school carnival on Friday, May 24th. More details will be coming home to you in the coming weeks. Thank you to FWPA for organizing this fun event for our Pates! Classroom Room Parents have sent out information for their classroom silent auction basket to gather donations to create wonderful classroom baskets for bid, and committee chairs are actively orchestrating plans for this fun-filled event.

This week, FWPA is hosting Career Day at the Fort! There are many guest speakers who have generously taken time out of their workday to join us to share about their career. Our students will have the opportunity to rotate around the campus learn about multiple careers and its pathways. Thank you to our guest speakers who are partnering with us to show our students what their futures may hold and to learn that education is the foundation for the career paths of their choosing.

Now that the weather is better, we will have the inflatables and sno cones on Friday for our jog-a-thon awards. Students who earned these awards will be receiving their invitation for Friday's events. Thank you for your support in helping us raise our jog-a-thon funds for our Pates!

Sincerely,
Mrs. Hashimoto

Attendance Matters

We are here to support your child's attendance at school! California Education Code requires all school districts to monitor attendance and notify parents. Truancy emails are generated by our district School Services and Student Attendance office when your child has a total of 3 unexcused and/or unexcused absences. Additionally, our school is required by law to send letters home once a student reaches an overall absence rate of 10%. Please note, an absence is considered unexcused unless the student is called in ill or a doctor's note is provided. If you are planning on taking a trip and/or your child will be out a minimum of 3 days, you may request Independent Study from the front office. We ask that all Independent Study requests be made at least 5 days in advance. Our goal is for students to be in school so they may continue to learn and grow. Thank you for your support!

PLEASE CALL THE OFFICE IF YOUR CHILD IS GOING TO BE ABSENT 327-6600, OR REPORT ON PARENT CONNECT.

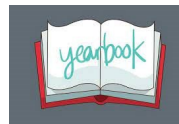

THANK YOU 😊

INDEPENDENT STUDIES

Teachers must be notified at least 1 week in advance. Student must be gone for at least 3 consecutive school days, in order to qualify for Independent Studies. An Independent Studies contract must be signed PRIOR to the student being gone. Students can only be on an Independent Study a MAXIMUM of 14 days per school year.

Any questions, please call our Registrar,
Ms. Kaufman @ 327-6600.
